Physics Notes

Concept: _____ **Date:** _____

Objectives: Circle/highlight/underline words you do not understand. Keep an eye out for those words during the class period. Define them in the main body of your notes and write those words in the column on the left so they are easy to find later.

Summary:

Self-Assessment

In your notes, circle/star/highlight the areas you need to review.

_____ I've got it!	_____ I almost have it!	_____ I don't understand
